Fifteen years of being an Entrepreneur

Reality

- In today's India you should be crazy to start a business

Why they wanted to start a company?

- It's in my DNA
- I have a passion for it
- No one else would hire me

Motivate yourself

- *Success is not final, failure is not fatal; it is the courage to continue that counts*
 - *Winston Churchill*

To Do

- Identify your time zone
- B Social: Interact, Network, Talk!
- Make a (reasonable) list
- Take a break / vacation
- Spend time with family
- Generous on incentives

CASH

IS

KING
